

Rich Security

Of unique horrors,
Earache. Child in
Emergency Room

waiting hours,
face soaked
from crying.

Mother's too.

With 1st beheading
of wealthy person,

Post essays Al Qaeda,
Times, Taliban.

Fox, ever dark-
er skins and stranger robes.

But answer close to home.

Hand in Hand

The Jew and me.
My ancestors

burned you at the stake in
Strasbourg. Relations chucked

you into Hitler's ovens.
Isn't it wonderful

how you trust me now?
A miracle of Jesus Christ!
Just as an intriguing artifact

of history, could you spare the pouch
the rabbi gave you to poison wells?

Please don't take this request unkindly.
Among friends you're known as My Jew.
